

SMILES FOR MILES BASE PROJECT ACTIVITIES TIMETABLE

“The sky’s the limit for children and young people with the right basket of support and provision.”

Our Bases are offering lots of exciting open-access youth sessions and 1-1 support options for children and young people.

Alongside this, we also have a basket of support and provision offering even more activities and support to get involved in.

All young people attending the bases will have access to a trusted adult who can support them to access other activities or support.

- If you would like to join, make a referral or find out more about a particular session, we would encourage you to contact the organisation directly.
- If you would like some support to make a referral to multiple sessions or would like to discuss what options might be best for you or your young person, please contact the Project Co-ordinator, Zoe Cartwright Harrison on 07706344863 or by email at zoe.cartwright@varotherham.org.uk
